We had a nice gentle start right on schedule at 1945 Hours with an Easterly of about 9Kts to 13Kts.

The breeze came and went during the night but overall kept the competitors moving. The last yacht to complete was at 11.12 Hours. We had only four DNF (did not finish) in the fleet. What a great result.

The first boat "Rush" arrived for the pass of Paynesville at 2.45:57 to continue on around Raymond Island. "Rush" was then the first to finish the full race at 4.29:52. In true race fashion the last boat "Breezin" had a finish at 11.12 in a gentle breeze.
